

# Pop Warner Football Organizations

## St. Bart's Buffalos

Dear Mike,

Thank you, thank you, thank you. Running a Pop Warner football and cheerleading organization is never easy. Luckily, we chose you to help us in this fund raising endeavor AND what an outstanding job you did. You certainly put together the right set of comedians to entertain us. We raised over \$3000 for the kids!

We could not have asked for a better headline comedian than Chris Rich, she had us laughing non-stop! To further confirm how well they all did, the entire Pop Warner organization was still laughing the next day, recalling the many jokes and stories all 3 comedians told. You really scored a TD with our parents and organization. We found you and your staff extremely easy and professional to work with and would highly recommend you and your Talent to anyone!

Thanks again,

Best regards,
